GRAVEYARD NEWS

Most of the work on the graveyard has been done and many appreciative comments received. We should see progress on the final bits over the next few weeks.

We are very grateful to the donors who made this work possible. Veolia, the Friends, CIF, Garfield Weston, and public donations. The church also used some of its capital funds which are restricted to such expenditure.

SALVATION ARMY CASTLE POINT FOOD-BANK

Can we get behind this project by providing items?

Sheena is helping to sort donations and make up food parcels so she can take our donations along. **Look out for the box in the porch.**

What's needed ? Long Life Milk; **tins** of potatoes, carrot, mushrooms, custard, rice pudding, fruit; **packets** of dried potato, custard; pasta mug shots or pot noodles.

The list will be updated periodically as the need changes – look out for further notices in the pew sheet. Please note that all items should be within use by date.

Or you can put items in the Morrisons basket for food-bank donations.
